GOVERNMENT OF RAJASTHAN
Department of Information Technology & Communication

CIRCULAR
The requirement of Internet Connectivity has increased in Government departments across the State as many Government departments have central web-based applications or Internet website that needs to be accessed by their district and field level offices.

In light of the above fact, State Government has decided that BSNL’s Broadband Connection Facility may be availed by the departments in all government offices where no alternate connectivity exists.

This is subject to the following conditions:

1. One Broadband Internet connection per office may be taken. Initially the 256 KBPS Bandwidth Plan of BSNL of minimum tariff (presently Rs. 700/- per month) can be taken. BSNL has waived off Installation Charges and Security Deposit (letter enclosed)

2. For higher bandwidth plan, justification for the same may be got vetted from DoIT&C.

3. No additional budget provisions will be made available for the Broadband connectivity. The expenditure on the usage of Broadband Internet Service should be met by the Departments from the budget available for ‘Office Expense (OE)’.

4. When the connectivity in the Department / Office is made available under SecLAN / RSWAN project, the BSNL Internet Broadband Connectivity would have to terminated. It would be the personal responsibility of the concerned Head of the Department and official in the Administrative Department to ensure the same.

5. The facility may be availed by the field offices only after specific approval of the concerned Head of the Department.

This bears the approval of Finance Department, Government of Rajasthan vide I.D. no. 2161 dated 08.12.2006.

(C.K. Mathew)
Principal Secretary

Jaipur, Dated: 18/12/06
